

Facilitators HR Manager for Hire – HR Audit

The Facilitators HR Manager for Hire service can carry out a full HR Audit at the start of new assignments.

This process helps to prioritise the areas to focus on. The audit is carried out through a comprehensive "HR Healthcheck" questionnaire, which we complete with relevant individuals in the company. During these face to face meetings we also discuss current issues, such as the need to have certain legislation in place.

The Facilitators "HR Healthcheck" questionnaire, developed by our team of fully qualified and experienced HR advisers and specialists, covers the following areas:

- Recruitment
- Terms and Conditions
- Pay and Benefits
- Family Friendly Policies
- Working Time
- Record keeping
- Health and safety
- New employment legislation
